

This beautifully cared for and never altered dress was custom made for my daughter and worn for less then one year before being outgrown. The main fabric is raspberry raw silk accented with silver, blue and raspberry appliqués; it is very sparkly on stage and is guaranteed to catch the judges eye The color of the underskirt is silver, and matching bloomers and headband are included. Due to the short time the dancer wore this dress there is little to no wear on it. The dress has been stored flat in a non-smoking home.
